## HIGH HOLY DAYS

## BULLETIN

September/October 2022 | Tammuz/Av/Elul 5782

As our secular calendar turns to September, our Hebrew calendar has turned to Elul – our month of preparation for the *Yamim Noraim*, the Days of Awe. The month is traditionally one of reflection and introspection. We seek to ready our hearts and our minds for this sacred season of *teshuvah*, returning to the best that is within us; returning our lives to a path of pursuing holiness.

Over the summer, we have also been doing just that here at Temple Emanuel, as a congregation and a community. We've spent time getting to know Cantor Rachel Reef-Simpson on the bimah with beautiful music and services. We've enjoyed social events on the patio, including our S'mores Havdalah in August, and we have welcomed new members! We've had chances to become more familiar with our new *machzor* (High Holy Day prayerbook), which will help us uplift our values and honor our traditions. And, we've done all of this while preparing a fantastic holiday season, school year, and program calendar.

I've personally had the chance to reconnect with many of you at these events, and I am so grateful! I always appreciate spending time together,

and it is particularly meaningful to reconnect given that COVID has made it difficult to do so over my first year here in Andover. As always, I hope you will reach out to connect if we haven't yet had a chance to do so!

Rabbi Max Chaiken

As you take a few minutes to read our bulletin, we hope you'll consider all the ways that this congregation has been a meaningful part of your life, and we hope you will renew your commitment to engaging with our sacred community.

From holidays to Shabbat, social action to learning, we have a lot going on this fall. Rosh Hashanah begins

Sunday night, September 25! We also hope you'll save the dates for Saturday October 15 for our first-ever "Harvest Fest" (details inside) and the weekend of October 28-29 for Cantor Rachel's installation service on Friday night that weekend, and a concert you won't want to miss that Saturday evening.

Most importantly, we hope you know that we are grateful to be on this journey with you—the members of our congregation. The work of *teshuvah* is never easy. But by joining together as a community, we can strengthen one another for the task. We can offer support, understanding, patience, kindness, and love as we do the hard work together. May we renew our commitment to one another as we do just that, and may the Jewish year 5783 be sweet and happy for us all!

## Facility Updates

As you enter the building this fall the first thing you will notice is our new 100th Anniversary Campaign for the Generations Donor Wall. This beautiful wall showcases the many gracious people who donated to our campaign. While our facilities will be able to benefit from some of the funds, we will be doing other things to enhance our space. In the Social Hall, there is brand new carpet, new paint, window shades and banquet chairs. In addition, new lighting will be installed. These exciting changes were made possible by a very generous donor specifically to improve the Social Hall. With these updates, the room will be much brighter and more modern which reflects the direction the House Committee is taking in updating our spaces.

Our outdoor area is starting to get a facelift as well. You will see our plantings have been cut back and new flowers, plants and shrubs are

being added. We are always looking for more people to join our Garden Group to help with our landscape so feel free to call me at 617-285-6696 or email me at [nealroberts@gmail.com](mailto:nealroberts@gmail.com) if you are interested in helping out from time to time.

There are so many small fixes and updates that we have done over the summer and will continue to do as the year progresses. Keeping our facilities in good working order and looking the best that we can is of utmost importance, and you will start to see many updates throughout our temple in the coming months.

We still have a lot to do and will be reaching out looking for your help. Our building is 43 years old and needs work. To maintain a building our size takes a village, and we will all benefit from keeping it looking great and working well.

# A Message From Our President

I can't believe that it is that time of year again. Summer is wrapping up and it is time to celebrate the High Holy Days. Here at the Temple the fall is a time of new beginnings.

This is especially true this year in particular. For some of us we are just starting to get back some sense of "normalcy" after what has

been a long two plus years. At the Temple, we too are moving from virtual programming to in person and hybrid programs. This year we are looking forward to being together as one community as we begin to reflect on the past as well as what the future might hold for us. Our High Holy Day services will continue to be beautiful and inspiring under the direction of Rabbi Max Chaiken and Cantor Rachel Reef-Simpson. Our Clergy and professional staff are working hard to prepare services that include many of our traditions of the past but also create new traditions. Cantor Rachel is working both with our professional musicians as well as our volunteer choir to have music that is spiritually uplifting, inspiring, and moving. This year as we end the days of reflection and soul searching with the beautiful melodies of Neilah and we hear the final sound of the Shofar, we invite you to our community Break-fast. During

Sukkot we are excited to have our first Harvest Fest to celebrate this beautiful time of year.

Our fall programming is also very diverse and aims to offer activities for people of all ages. From a day for families at the Stone Zoo to a trip to Portland, ME to hear the beautiful music from the Violins of Hope to Tot Shabbats to volunteer opportunities at Bread & Roses to our Adult Education programs and so much more. We are looking forward to an exciting fall season with our Temple Community. I want to make a special mention of Cantor Rachel's installation the weekend of October 28 & 29. Please join us as we officially welcome Cantor Rachel into our Temple family!

I want to take a moment to thank all of our volunteers who are working so hard and for being so dedicated in helping to bring all of these wonderful events to fruition. I also want to thank our Clergy and our professional staff for their tireless efforts in planning all of the wonderful events here at the Temple. Finally, I want to personally thank each and every one of the members of our community that continue to support Temple Emanuel. Your support allows us to continue to be a strong and vibrant community where we can find comfort in the difficult times and be a place where we celebrate the joyous events that make up life's journey.

On behalf of the Board of Governors, my wife Meryl and my daughters, Leah and Brianna, I want to wish each and everyone of you, a Healthy and Happy New Year!

# Cantor's Column

## God's Song

Jewish tradition teaches us that in the month of Elul, the month prior to the High Holy Days, we should spend some time reflecting back on the previous year. It is also a chance to find more meaning in our lives going forward into the New Year.

In looking for words of wisdom to share with you for the coming New Year, I turned to "Jewels of Elul", a website that posts an annual compilation of essays written by inspiring thinkers in preparation for the New Year. I read one in particular that spoke to me and gave me inspiration. I was not surprised that I found commonality in this particular person's story. It was written by Cantor Ellen Dreskin, who was the director of the Cantorial Certification program at HUC that I graduated from in 2016. I can best describe her as the "mama bear", head cheerleader and guiding light of our program. She is an insightful leader, an inspiring teacher and a spiritually uplifting Cantor. You will all have a chance to meet Cantor Dreskin, learn from her and be inspired by her the weekend of October 28th-29th, as she comes to Temple Emanuel for my official installation as your Cantor.

This was her "Jewel of Elul" for the 28<sup>th</sup> day of Elul in 5765/2005: Midrash tells us that our name, Yisrael, when vocalized differently, can become "Yashir Eil" – "God will sing." We are God's song in this world. Full of potential for harmony – tension, joy, sorrow, anger, comfort, pain, and majesty – God sings through each of us. Elul is the time to focus and question: what God song will be heard through my life in the coming year? Chasidic wisdom likens each of us to a shofar. Were it not for the breath of God blowing through me, I would make no sound at all. Elul is the time to tune up, sharpen our skills, and be a song that is worthy of being heard.

The shofar is narrow at the beginning and wide at the end. May we remember to begin with ourselves, and then open our hearts and our ears and our eyes to understand that we too can be bigger – we can be wider – and our smallest actions can make a huge difference in the world.

"Yashir Eil." Be the song; make it good. Awaken others – with your voice and your gifts and your actions – to sing out also, and give honor to the Composer of it all."

As we enter into the days before Rosh Hashanah and Yom Kippur, we take a moment to reflect on our past year. What was good? What was a challenge? Can we recall the blessings this past year has brought us and learn from the challenges we faced? Can we make changes that make our life and the lives of those around us better? What actions

can we take to make a positive difference in our homes, in the world, in our community, in our congregation?

These last few years, the Temple Emanuel community and the Merrimack Valley Jewish community have been going through many changes and transitions.

Change is difficult; it can be stressful. We all recognize and acknowledge that. However with change and transition comes an opportunity for growth and for renewal. Change can be a positive thing, if we all work together in the New Year to make that happen. What can each of us do to ensure positive change and growth in our congregation in the coming year? What gifts can you share with our Temple family to make a positive impact?

As we hear the Shofar blow and usher in the year 5783, how do we live up to being "Yashir Eil"-God's song? May each of us find the wisdom we seek and the strength and conviction to forge ahead, making this coming year everything we hope and dream it can be, for ourselves and for our community.

Wishing you all a Shanah Tovah u'Metukah-a happy and sweet New Year 5783!

## Education

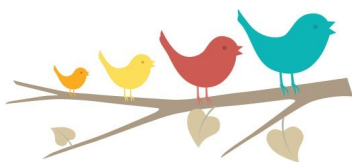

Our school year is off to a great start. We are so thrilled to have our students back in the building for both our preschool and our religious school.

We have some great events coming up in our religious school including a Harvest Fest on October 15<sup>th</sup> and

Pumpkin Painting and Pizza in the Sukkah on October 16<sup>th</sup>. Our first Friday night Family Service will be on November 4<sup>th</sup> for K-2. And our 4<sup>th</sup> Graders will be heading to Mayyim Hayyim Living Waters Mikveh on November 6<sup>th</sup>.

Our preschoolers love celebrating the seasons and especially love raking leaves and learning about apples, pumpkins, planting, harvesting, and making new friends. Our school loves being outdoors, and we are so lucky to have an amazing playground and outdoor classroom where we can play and learn together! Annual Fall favorites in our preschool include a visit from McDonny's Farm, Back to School Night and School Picture Day! We are thrilled to bring back our Friday Family Shabbat Celebration as well.

I know I speak for our entire teaching staff in sharing how lucky we feel to be able to welcome back and nurture all the learners in our building. Seeing the connections among our community is always heartwarming and inspiring. We are honored and excited to see the growth, development, and joy that this school year will bring.

# Brotherhood

Welcome back! As we enter the new season it brings us an opportunity to renew our dedication to the temple and to Brotherhood. We have planned many events and activities for the fall season, and it is my hope that you will join or renew your membership in Brotherhood.

To begin this new season, we will be holding a FAMILY DAY at STONE ZOO on Sunday, September 18. We will meet all together at Noon across from the zoo in Greenwood Park for a “bring your own lunch” gathering. At 1:00pm we will go into the zoo as a group, and you are then free to spend the day as you wish at the zoo. Tickets may be purchased through our temple website, and all temple members and their families are encouraged to attend. Watch our website and your email for information.

We will be bringing back our Sunday Breakfast Speaker Series this year with our first breakfast on October 30 featuring Ethan Zohn. Ethan is a humanitarian, inspirational speaker and television host; former professional soccer player; cancer survivor and advocate; and winner of the hit reality television show, CBS's Survivor. Ethan's inspiring talks emphasize character, leadership, resiliency, values, and service to nurture the immense potential that young people have to change their world. This event is free to all paid-up Brotherhood members. Details coming soon.

Don't forget to please join Brotherhood or renew your membership so that we can continue to bring these great programs and events to the temple community. Your donation goes a long way to establishing the Brotherhood for years to come. Memberships can be paid on your annual

temple dues statement, or you can sign up online at the temple's website and navigate to the Brotherhood page.

If you have any questions, reach out to me via email at [nealroberts@gmail.com](mailto:nealroberts@gmail.com) or my cell 617-285-6696.

For everyone's convenience, moving forward I will include a list of events for the year. This list could change as the year progresses, so I encourage you to check it with each new bulletin. We will also list them on the temple website.

## *Tzedek Tzedek, Tirdof! - Justice, Justice, Shall You Pursue!*

Our committee is excited to partner with the Temple's Religious School to promote social justice monthly during the academic year working with the 9th grade confirmation class.

**The Religious Action Center of Reform Judaism (RAC)** launched its 2022 Every Voice, Every Vote campaign, a nonpartisan initiative to strengthen democracy by encouraging and protecting voter participation. "The strength of our democracy rests on the notion that voters pick their leaders -- our leaders do not get to pick their voters," said **Rabbi Jonah Dov Pesner**, director of the RAC. "Every issue of importance to our Movement is on the ballot this year. We know the best way to combat white supremacy, antisemitism and attacks on bodily autonomy is by having a diverse, invested electorate. Those who show up as voters will help shape what is possible (and what is a priority) for Congress and state legislatures across the country."

With guidance from **the RAC Campaign** & the local chapter of **Indivisible**, the committee held its first postcard-writing party seeking to:

- Empower local communities to drive voter mobilization
- Remove barriers and obstacles to help enable people and communities to access voting resources and support
- Strengthen our democracy by ensuring the electorate reflects the population that it serves.

Those who participated found it highly-rewarding and the next postcard writing party will likely be held some time in September .

The BBQ at Bread & Roses soup kitchen was a great success and will continue monthly as weather permits. Our volunteers are dusting off their mac & cheese and cookie recipes for the winter meal schedule beginning in October.

With these past 90+ degree days, it's hard to believe that people will ever need coats, hats and gloves. Save your gently-used warm clothing for our **Fall Clothing Drive**. Details will be forthcoming.

## A Trip of a Lifetime to Israel

By Benjamin Metsch

This summer, I went to Israel. Sounds like any other Trans-continental trip that some random 16 year old would take as a coming of age journey to discover their religion. But most 16 year olds don't get to experience the wonderful country of Israel for over a month with 114 other people they consider their best friends from camp, while also having the full support of their Temple's Rabbi and Sisterhood organization behind them.

My trip to my now-second-home this summer was incredible, to say the least. My time spent there will forever live in me. I first want to thank Rabbi Chaiken and Mrs. Trachtenberg from Sisterhood for helping support me for the trip. Their help made the trip possible and I wouldn't be twice the person I was without them. I would describe my first moment in Israel as surreal - all of these people just welcomed me. I felt accepted. At first, I didn't get it, but after talking to my good friend, Yinon, he enlightened me as to why these people were greeting me so warmly. "First of all, it's because we're nice here," he said, "but also it's because you're Jewish". This statement didn't have an impact on me until later in the trip at the Western wall. Of all the places I went to, Haifa, Tel Aviv, Jerusalem, Eilat,

and all the borders to other countries, the Kotel (Western Wall) was the most special. It gave me a great sense of accomplishment and spirituality being able to stand at the wall and pray. Having my friends there that I've known forever just heightened the whole experience, as well. But

the most important thing to me about Israel is the fact that any race, language, class, religion, or other group is allowed in Israel. It is one of the most accepting places on the planet and I can't wait to travel back some day.
